Respect for citizenship is strong in our
Ethiopia;
National pride is seen, shining from one side
to another.
For peace, for justice, for the freedom of
peoples,
In equality and in love we stand united.
Firm of foundation, we do not dismiss
humanness;
We are peoples who live through work.
Wonderful is the stage of tradition, mistress
of proud heritage,
Mother of natural virtue, mother of a
valorous people.
We shall protect you – we have a duty;
Our Ethiopia, live! And let us be proud of
you!
